Statement of intent

At St Aidan's CE Primary School, we believe that to facilitate teaching and learning, a comprehensive assessment strategy is essential.

We are committed to:

- Ensuring early and accurate identification of individuals' needs, so that support can be implemented.
- Involving all staff, pupils and parents in the assessment process.
- Ensuring pupils have individual targets.
- Regularly monitoring progress.
- Setting individual pupil targets that are specific, measurable, achievable, realistic and time-bound (SMART).
- Acknowledging achievement.
- Working with other agencies as needed.
- Providing equal opportunities for all.

The process of assessment is central to helping pupils progress and fulfil their potential. It is also necessary to provide a framework to ensure that learning objectives can be set and used to inform lesson planning, resources and support.

We use assessments to inform whole-school objectives and training – we will ensure assessment is integrated methodically into teaching strategies, so that progress can be monitored and barriers to learning can be identified at pupil, group, class or whole-school level.

The assessment process can only be successful if regular reviews take place and plans are communicated and actioned at all levels.

- Submitting their own work and not cheating on the tests.
- Engaging fully in the assessment process and following assessment rules.
- Bringing the required equipment for each test.

3. Accountability measures

3.1. The headline attainment and progress measures that the school is held to account for, and that are included in the national performance tables, are as follows:

- The percentage of pupils achieving the expected standard in English reading, English writing and mathematics at the end of KS2
- Pupils' average scaled score in English reading at the end of KS2 and mathematics at the end of KS2

- The percentage of pupils who achieve at a higher standard in English reading, English writing and mathematics
 - Pupils' average progress in English reading, English writing and mathematics
- 3.2. The school will not share individual pupil progress scores with pupils or parents.
- 3.3. The school will not use 'flight paths', where pupils are told the levels they will achieve based on the performance data of pupils with similar starting points in previous years, as a valid progress prediction.
- 3.4. The school will not predict pupil or school-level progress scores in advance of official provisional data being made available each September.
- 3.5. When comparing with other schools or public groups, the school will account for the progress score and confidence interval for the school.
- 3.6. In limited circumstances, the school may request that a pupil be omitted from performance measures, e.g. if a pupil has recently moved from overseas.
- 3.7. There are a number of circumstances where a pupil's results will not be included in the progress measures, but will be included in the attainment measure as 'not meeting' the expected standard. These circumstances include the following:
- Pupils who are working at the standard of the tests, but who have no test data in English reading or mathematics, e.g. due to absence
 - For pupils who have moved school between KS1 and KS2, the DfE will retrieve and include data in the progress calculation
 - Pupils who have no KS1 data

4. Test participation

- 4.1. The headteacher's decision regarding test participation is final.

Phonics screening check

- 4.2. All pupils who will reach the age of 6 before the end of the school year will complete the check, including pupils who join the school just before or during the check window, unless they have no understanding of grapheme-phoneme correspondences.
- 4.3. Pupils who will reach the age of 7 before the end of the school year will be required to complete the check if they:
- Did not take it in Year 1.
 - Took the check in Year 1 but did not meet the expected standard.
 - Started school in Year 2.

- 4.4. Pupils' common transfer files (CTF) will include information about whether a pupil joining the school in Year 2 met the expected standard in Year 1. If this information is not included, the **headteacher** will contact the LA or use Key to Success to search for the pupil using their unique pupil number.
- 4.5. Where there is any uncertainty about whether a pupil has completed the check in Year 1, they will take the check in Year 2.
- 4.6. If a pupil is absent during the check week, the school will administer the test upon their return, if it falls within the check window. Pupils that are absent during the full check window will be recorded as absent in the results data.
- 4.7. Where the **headteacher** decides that a pupil should not take the check, they will explain their reasoning to the pupil's parents, providing documentary evidence where appropriate.
- 4.8. Where pupils are unable to access the check, teachers will be aware of their progress in phonics so that they can plan the next steps in teaching.
- 4.9. If a pupil shows no understanding of grapheme-phoneme correspondences, they will not be required to complete the check.
- 4.10. If a pupil has limited fluency in English, the **headteacher** will decide if they should take the check. Pupils who have recently moved to the UK and do not understand letters and sounds in English will not take the check.
- 4.11. The **headteacher** will consider whether it is appropriate for pupils who use British Sign Language, or another sign-supported communication to spell out individual letters but are not using phonics in the sense of linking letters and sounds, to take the check.
- 4.12. Pupils who are selectively mute will be unable to participate in the check if they do not give verbal responses in school – the pupil will be recorded as 'D'.
- 4.13. Selectively mute pupils may be able to demonstrate their knowledge informally at home with a family member who can discuss the outcome with a teacher; however, to avoid a potential security risk, this arrangement will only take place after the check period ends.

KS1

- 4.14. Pupils who have completed the KS1 programmes of study and are working at the overall standard of the tests will be required to complete the KS1 tests.
- 4.15. Pupils considered able to answer the easiest questions will be entered for the tests at KS1.
- 4.16. The **headteacher** will not enter pupils in the tests if:
 - They have not completed the relevant KS1 programme of study.
 - They are working at the pre-KS1 standards or P scales.

- They are working at the standard of the KS1 tests but are unable to participate, even with suitable access arrangements.
- 4.17. The pre-key stage standards will be used to provide a statutory assessment for pupils engaged in subject-specific study and who are working below the standard of the tests.
- 4.18. Where the **headteacher** decides that a pupil should not take the tests, they will:
- Discuss the pupil's circumstances and needs with their parents and teachers.
 - Consult, if appropriate, with the **SENCO** and other relevant individuals to consider access arrangements that may be appropriate for the pupil.
- 4.19. Pupils who cannot communicate in English will not take the English tests.
- 4.20. Teachers will work to translate the national curriculum for maths into the pupil's preferred language, and will consider which access arrangements can be used to enable the pupil to take the tests.

KS2

- 4.21. Pupils who have completed the KS2 programmes of study and are working at the overall standard of the tests will be required to complete the KS2 tests.
- 4.22. Pupils considered able to answer the easiest questions will be entered for the tests at KS2.
- 4.23. The **headteacher** will not enter pupils in the tests if:
- They have not completed the relevant KS2 programme of study.
 - They are working at the pre-KS2 standards or P scales).
 - They are working at the standard of the KS2 tests but are unable to participate, even with suitable access arrangements.
- 4.24. The pre-key stage 2 standards will be used to provide a statutory assessment for pupils engaged in subject-specific study and who are working below the standard of the tests.
- 4.25. Where the **headteacher** decides that a pupil should not take the tests, they will:
- Discuss the pupil's circumstances and needs with their parents and teachers.
 - Consult, if appropriate, with the **SENCO** and other relevant individuals to consider access arrangements that may be appropriate for the pupil.

- Generate a school password and pupil identification numbers (PINs) on the days the check is administered.
- Ensure the check is administered to all eligible pupils.
- Complete the HDF to confirm the check was administered in line with relevant guidance.

5.2. Rooms will be prepared for the check, including:

- Ensuring pupils will not be distracted by other pupils or their digital devices.
- Ensuring pupils' digital devices are switched on, charged and in good working order before pupils are admitted to the room.
- Ensuring they are quiet, comfortable and well-lit.

5.3. The appointed **test administrators** will ensure that pupils have all the materials needed to complete the check.

5.4. The **headteacher** will ensure that the **test administrators** are:

- Familiar with the MTC guidance.
- Familiar with the digital devices being used.
- Known to pupils.
- Able to provide feedback on the process.

5.5. Pupils in Year 4 will be entered into the check, unless the **headteacher** decides it would not be appropriate for the pupil to participate.

5.6. Pupils will not be required to participate in the MTC if:

- They are absent during the entire check period.
- They are unable to access the check, even with suitable access arrangements.
- They are considered unable to answer the easiest questions or are working below the national curriculum expectations for Year 2 multiplication tables.

- They have arrived in school during the check window, with EAL, and there is not enough time to establish the standard at which they are working.
 - They have been incorrectly registered for the check.
 - They have left the school before the check period.
- 5.7. The school will not request permission from the STA to use any access arrangements for the MTC; however, the support given will never advantage or disadvantage individual pupils and will be based on usual classroom practice.
- 5.8. Pupils will not be given additional time to complete the MTC.
- 5.9. The following font and background combinations will be available:
- Yellow on black
 - Black on blue
 - Black on peach
 - Blue on cream
- 5.10. The font size will be increased and decreased to suit a pupil's needs.
- 5.11. A 'Next' button between questions will be enabled if the standard three-second pause is insufficient.
- 5.12. The on-screen number pad will be removed to suit individual pupils' needs.
- 5.13. An input assistant will be used when a pupil is:
- Unable to enter their own answers.
 - Able to input their answers, but is uncomfortable when doing so.
 - Very slow at inputting their answers.
 - Finding it difficult to input their answers.
- 5.14. Input assistants will enter answers as dictated by the pupil.
- 5.15. Input assistants will not be another pupil, a parent, guardian or relative.
- 5.16. Third-party screen readers will not be used; however, a question reader function will be enabled to suit pupils' needs.
- 5.17. An audible time alert will be enabled for pupils with visual impairments.
- 5.18. Pupils will be unable to pause or stop the check once it has started; however, pupils will be permitted to restart the check if they were interrupted.
- 5.19. If **test administrators** experience any IT issues during the check, they will speak to their IT support team initially. If additional advice is needed, the

national curriculum helpline will be contacted on 0300 303 3013 or assessments@education.gov.uk.

- 5.20. The MTC will be introduced as consistently as possible, and the process will be explained clearly before the check is administered.

6. Preparing test administrators

- 6.1. The **headteacher** will consider what staff resources are required to administer tests in school.
- 6.2. The **headteacher** will ensure that there are always at least two **test administrators** present, to reduce the risk of allegations of maladministration.
- 6.3. **Test administrators** will be suitably trained members of staff, e.g. the headteacher, teachers or TAs.
- 6.4. **Test administrators**' training will comprise of how tests should be administered, what assistance is allowed for different tests and how any access arrangements will be used.
- 6.5. If a **test administrator** is related to a pupil sitting the test, there will be at least one other test administrator present who is not related to the pupil.
- 6.6. **Test administrators** will be provided with:
- Section seven of the most up-to-date copy of the ARA for both KS1 and KS2.
 - Sample tests and past papers.
 - Information about the tests that are being administered each day, as detailed in the test timetables.
 - Access arrangements guidance and which pupils require them.
 - Test administration instructions and test materials, including what equipment is required, the length of the test and what assistance is allowed.
 - Notes for readers in the English grammar, punctuation and spelling test.
 - **[KS2]** Guidance to prepare pupils for the on-screen marking of test scripts.
- 6.7. When deciding on the number of **test administrators** needed to maintain adequate supervision during a test, the **headteacher** will consider the possibility that at least one **test administrator** might need to leave the room with a pupil, e.g. if they are unwell.

7. Demonstrating correct test administration

- 7.1. The **headteacher** will invite a governor, trusted member of the school community or a staff member from a nearby secondary school, who is not

otherwise involved in administering the tests, to observe the school's administration.

7.2. The **headteacher** will consider whether the administration observer requires training.

7.3. Administration observers will be expected to check that:

- Test packs are stored securely in a locked cupboard and have not been opened, either before the published test date or more than one hour before the test takes place, unless the STA has approved an application for early opening.
- Pupils are suitably seated and supervised, and classroom displays have been removed or covered.
- The school is administering the tests in the order published in any statutory test timetable and access arrangements are being used correctly.
- Test scripts are collected from the test room immediately after the test and packaged securely in a locked cupboard until they are dispatched for marking.
- Any unused test papers are accounted for and stored securely.

8. Maladministration

8.1. Maladministration refers to any act that affects the security, confidentiality or integrity of the tests or could lead to results that do not reflect pupils' unaided work.

8.2. The school will ensure that **test administrators**, participating pupils and their parents are protected from maladministration by ensuring that they:

- Understand test administration processes.
- Know the date that each test should be administered.
- Understand what assistance is allowed in tests.
- Know how any access arrangements will be used.
- Understand how timetable variations can be used.

8.3. Reports of maladministration will be sent to the national curriculum assessments helpline by calling 0300 303 3013 or emailing assessments@education.gov.uk.

9. Receiving and storing test materials

9.1. The **headteacher** will be responsible for ensuring that test materials are received and stored securely.

- 9.2. The **business support officer** will ensure that the address listed on 'Get information about schools' is accurate, as the STA will send materials to that address.
- 9.3. The **headteacher** will be responsible for knowing when the school should expect to receive the materials for the tests that will be conducted.
- 9.4. The headteacher and one other member of staff, e.g. the **business support officer** will check the school's delivery against the delivery note to ensure the correct number and type of test materials have been received. If the headteacher is not available, they will delegate this duty to the **assistant headteacher**.
- 9.5. If a delivery has not arrived, is incomplete, or if test packs are unsealed or damaged on arrival, the **headteacher** will contact the national curriculum assessments helpline.

Checking test deliveries

- 9.6. When a delivery arrives, the **headteacher** and **business support officer** will check:
 - That the school's details are correct, and that the delivery is for the school.
 - The boxes for any damage.
 - The number and type of test packs received against the delivery notes and annotate it accordingly.
- 9.7. After checks have been carried out, all boxes will be resealed and locked in a cupboard.
- 9.8. The **headteacher** will retain their annotated copy of the delivery note in case the school receives a monitoring visit.
- 9.9. **[KS2]** Stationery packs will be delivered and the **headteacher** will be responsible for logging and opening them.

Security

- 9.10. All test materials, including downloaded electronic versions, will be kept secure and confidential until the end of the test and check administration periods, including timetable variation periods.
- 9.11. The **headteacher** will delegate responsibility for overseeing the storage of test materials to the **test administrator**.
- 9.12. The **test administrator** will take responsibility for the cupboard key and logging requests for access to the materials.
- 9.13. Teachers and **test administrators** will not discuss the content of the test papers with anyone, including on social media or elsewhere online.

- 9.14. The **headteacher** will ensure that all members of staff understand the sensitivity of the test and check materials.
- 9.15. The **test administrator** will check the materials **weekly** to ensure that they have not been tampered with.
- 9.16. The **test administrator** will keep a chart on the door of the cupboard to record instances of access to the materials and to record the **weekly** security checks.
- 9.17. A reporting procedure will be developed in the event of a problem, e.g. a lost or stolen key.
- 9.18. The security of the test and check materials will be considered when the school is open to the public, e.g. a polling station or letting arrangement.

10. Preparing to administer tests

- 10.1. **[KS2]** The **headteacher** will register and confirm all pupils who are at the end of KS2 on the PAG.
- 10.2. **Test administrators** will be provided with information on which pupils require access arrangements and how the access arrangements should be implemented.
- 10.3. Parents, guardians and relatives will not be permitted to be involved in administering tests to pupils who need access arrangements.
- 10.4. Access arrangements will not advantage or disadvantage individual pupils.

- 10.6. The school will modify test papers, where necessary, to:
 - Provide pupils with test materials on coloured paper.
 - Make enlarged copies of the tests; however, the school will be mindful of enlarging any maths papers that require pupils to measure a length or width.
 - Prepare translations (maths only).
- 10.7. Test materials will not be opened to make modifications before the first administration of a test.
- 10.8. The school will be responsible for ensuring that any modifications made to tests are done correctly.
- 10.9. **Test administrators** and the **headteacher** will consider where they will administer the tests to ensure they are quiet and appropriate.
- 10.10. If access arrangements are being used, **test administrators** and the **headteacher** will consider whether a different or separate room should be used for the participating pupils who require them.

- 10.11. To prepare the test rooms, **test administrators** will:
- Remove or cover any displays or materials that could aid pupils.
 - Ensure seating arrangements allow all pupils to work quietly and independently.
 - Make sure pupils will not be able to view each other's test papers.
 - **[KS2]** Ensure a clock is provided in the room to help pupils pace themselves.
- 10.12. The **headteacher** will write to parents to inform them of the equipment that pupils will require for each exam.
- 10.13. If it is normal classroom practice, pupils will be permitted to use word processors or other technical or electronic aids in the tests, provided that the functionality does not give them an unfair advantage – word processors will be used in accordance with the **Word Processor Policy**.
- 10.14. Pupils will not be permitted to use a dictionary during any tests.
- 10.15. **[Maths] Test administrators** will discourage the use of additional squared paper as pupils may lose marks if they make an error or omission when they transfer their working to the test paper – unless this provision is used as part of an access arrangement.
- 10.16. **[KS2] Test administrators** will write the school's full name and DfE number on the board at the front of the test room. Pupils will be asked to copy this on to their answer booklet or test paper and any additional paper. The test administrators will also write the start and finish times of the tests on the board.
- 10.17. Pupils will not use glitter or coloured pens during the exam as they do not show up when they are scanned for on-screen marking; however, pupils will be permitted to use highlighters as appropriate, in accordance with normal classroom practice.
- 10.18. If it would be difficult to read a pupil's writing, **test administrators** will arrange for the pupil's papers to be transcribed.

11. Administering the tests

- 11.1. Two members of staff, as appointed by the **headteacher**, will retrieve the test packs from the secure storage location.
- 11.2. If more than one test is scheduled to be administered on the same day, only the test packs that are ready to be administered will be collected.
- 11.3. The **test administrators** will open the test packs in front of the pupils in the test room immediately before the test – at least two members of staff will be present.

- 11.4. If tests are being administered in multiple rooms, the packs will be opened in one room and then pupils and the test papers will be taken to the test rooms.
- 11.5. **Test administrators** will ensure that the correct test packs are opened.
- 11.6. If the wrong test packs are opened, **test administrators** will reseal the pack and inform the **headteacher**, who will phone the national curriculum assessments helpline.
- 11.7. Where a test pack has been opened prematurely, teachers must not:
- Discuss the content of the test papers with anyone.
 - Publish or discuss specific content that could compromise the test on social media or online.
 - Use question-specific information to prepare pupils for the tests.
- 11.8. **[KS2]** If additional test materials are required on the day of the test, the **headteacher** will contact the national curriculum assessments helpline for advice – the school will not photocopy test papers without permission from the STA.
- 11.9. **[KS1]** If additional test materials are required, the **headteacher** will download and print them from the PAG.
- 11.10. **[KS1]** If additional modified tests are required, the **headteacher** will contact the national curriculum assessments helpline on 0300 303 3013 (selecting option 3).
- 11.11. **[KS1]** English grammar, punctuation and spelling test materials, including mark schemes, are only available to download from the PAG.
- 11.12. The school will open test materials in accordance with the published date on the front sheet of each test pack.
- 11.13. Test packs can be opened up to one hour before the start of the test, without approval, if:
- A written translation is required for a maths test.
 - A test paper needs to be adapted to meet the needs of individual pupils.
- 11.14. If test packs need to be opened more than one hour early, e.g. to make modifications, the **headteacher** will make an application for early opening on the PAG.
- 11.15. **[KS1]** The **headteacher** and **test administrators** will agree their own timetable for the KS1 tests, taking into account any pupils requiring specific access arrangements.
- 11.16. **[KS1]** The **headteacher** will decide whether pupils require a break during the test.

- 11.17. **[KS1]** Test papers can be administered to the whole class, groups of pupils or individual pupils – the **headteacher** will decide.
- 11.18. **[KS1]** Each subject has two papers that will be administered in order; however, they might not be administered on the same day.
- 11.19. **[KS1]** Pupils will only be permitted to take each test once.

12. Administering the KS1 English reading test

12.1. This test will consist of:

- Paper one: combined reading prompt and answer booklet.
- Paper two: reading booklet and reading answer booklet.

Paper one: combined reading prompt and answer booklet

- 12.2. This paper will consist of a combined reading prompt and an answer booklet.
- 12.3. The test will take approximately 30 minutes, but it will not be strictly timed.
- 12.4. The paper includes a list of useful words and some practice questions to introduce pupils to concepts and question types. **Test administrators** will allow approximately 15 minutes before the test begins to go through the useful words and practice questions with pupils.
- 12.5. Each pupil will need a blue or black pen or a pencil for this exam – pupils are responsible for bringing these materials.
- 12.6. Pupils will be permitted to use monolingual English electronic spell checkers, provided they do not give definitions of words.
- 12.7. Pupils will be permitted to use highlighters, if this is normal classroom practice.
- 12.8. Pupils will not be permitted to use a dictionary.
- 12.9. The test will not be read to individuals or a group, except for the practice page and practice questions.
- 12.10. For pupils with hearing impairments, **test administrators** will ensure signing does not convey information that would give pupils an advantage.
- 12.11. **Test administrators** will read the guidance contained in the modified test packs regarding how to administer the tests to pupils with a visual impairment.
- 12.12. If pupils have questions about the content of the test, **test administrators** will not explain any words or phrases; however, explanations regarding words or expressions from the 'Useful words' list for paper one can be given before the start of each section of the test.

Paper two: reading booklet and reading answer booklet

- 12.13. Paper two will consist of a reading booklet and separate reading answer booklet.
- 12.14. All pupils will be given an unused reading booklet – reading booklets will not be reused.
- 12.15. Paper two will take approximately 40 minutes, but it will not be strictly timed.
- 12.16. Paper two will not contain any practice questions or lists of useful words.
