

Community Go Fund Me!

Oh my goodness! Here at St Aidan's we are totally overwhelmed by the kindness and generosity shown by our school and local community. As everyone knows we had some vandalism over lockdown and the Early Years play area got badly damaged and many toys got broken. We have just received a whopping £600 in donations! The staff and I cannot thank you all enough! Mrs Kennedy is planning on not only replacing what was broken but also replacing the bikes/trikes that the children have to play on too!
