

Curriculum Week 2

Monday - RE

Read through the main beliefs PowerPoint that looks at the ten commandments. Once you have done that, choose one of the commandments and create a comic strip showing an explanation of it. Use the comic strip template to help you.

Monday - Science

Read through the Wonderful Water PowerPoint and then complete the three states of water activity sheet. If you want, you can try the ice and salt investigation from the PowerPoint but make sure you have an adult to help you.

Tuesday - Art and Geography

Create a river collage, this could be 3D - using any media/materials. Label the parts of the river using the vocabulary - source, mouth, meander, tributary and floodplain.

Wednesday - PE

Wednesday - History

Click the link <https://www.bbc.co.uk/teach/class-clips-video/story-of-britain-new-stone-age-animation/zjh2t39> make a list of the ways life in the New Stone Age was different to life in the Mesolithic period: did it change a little or a lot? Use the sheet in the resource files to help you compare.

Thursday - PSHE

<https://families.jigsawpshe.com/stuck-at-home-2/#1584978319851-e60fcf46-db84> click on the link and work your way through the activities as you watch the short clips.

Thursday - French

Click on the link <https://www.bbc.co.uk/teach/class-clips-video/french-ks2-shopping-for-food/z7ynvk7>. It shows children buying toppings for their pizzas. Once you have watched it, create your own pizza and label the toppings you have used in French!

Friday - PE

Complete the activities from the Healthy Heart sheet in the files section below.

Friday - Computing

Complete your research on your chosen river that you started last Friday and present your information as a poster or PowerPoint.
