Group 3

### **English - Monday**

Complete 2 of the 60 second read activity sheets.

Complete 3 sheets of the captions and pictures activity. You must match the picture to the correct caption. You will complete the other sheets next Monday.

### **English - Tuesday**

Before you start this activity read through the PowerPoint to help you understand when we need to use full stops. Complete page 1 and add in the correct capital letters and full stops to the sentences. If you really want to challenge yourselves then complete page 4. In this activity you are given four parts of writing. You must read each section carefully and decide where to add in the missing full stops and add in the capital letters.

### **English - Wednesday**

Read through the sentences and add in the missing capital letters, full stops and question marks. Remember we need to use capital letters at the start of sentence, for people's names, places and days of the week.

1. would you like to come to my party
2. david and jane saw a puppy for sale
3. why do I have to do my homework
4. how much are the apples
5. on wednesday I am going to the museum in london
6. sarah had a baby and named in john
7. have you ever been to america

Group 3

8. where is kirsty
9. my favourite book is harry potter
10. jake was upset because he lost his yoyo.

### **English - Thursday**

Today's activity is all about using the correct conjunction. Remember a conjunction joins to ideas together. Look the conjunctions PowerPoint activity and then complete page 1 of the conjunctions where you must choice the correct conjunction. When you have done that, try writing your own sentence for each conjunction 'and', 'but' and 'so.'

### **English - Friday**

Today I would like you to complete the first 4 pages in the phase 4 phonics booklet. When you have done that please complete two of the handwriting sheets.

### **Maths - Monday**

Complete Times Tables Rocks activities for at least 20-25 minutes. After, have a go at completing one of the set my maths activities.

### **Maths - Tuesday**

In class we looked at finding 1 more/less and 10 more/less than a given number. Complete page 5 of the finding 1 more/less activity sheet in the files section. The complete pages 1 and 3 (if you want more of a challenge) of the finding 10 more/less activity sheet. Remember to think about the place value of each digit and which column is normally changing. Remember, there are some that don't follow the rule.

Group 3

### **Maths - Wednesday**

Work your way through the activity sheets counting in 10s, 5s and 2s. If you are feeling confident complete all three sets. You **MUST** complete the counting up in 10s sheet first. Use the number square to help you if you are struggling.

### **Maths - Thursday**

Today's task is all about adding numbers. Complete activity 1.

### **Maths - Friday**

Complete the column addition sheet. Remember when we are using column addition we add the numbers in the ones column first and then we add the tens column. You could always draw jottings to help you of the base 10 or place value counters. The answers have been given to you on the next sheet. If you find this too tricky try the other addition sheet in the files section labelled Friday Maths activity 2. This is looking at addition within 20.

Group 3

Monday	Tuesday	Wednesday	Thursday	Friday
Maths Times Tables Rock Stars Mymaths	Maths Number bonds	Maths Ordering numbers	Maths Subtraction	Maths Subtraction
English Group 3 - Complete 2 of the 60 second read activity sheets	English Think, feel, say bubbles for Toki	English Identify adjectives	English Use adjectives	English Write a story
R.E Ten Commandments comic strip	Art and Geography Create a river collage, this could be 3D - using any media/materials. Label the parts.	PE <a href="https://www.youtube.com/watch?v=4wzoy_J3I_c&amp;list=PLYCLoPd4VxBsXs1WmPcektsQyFbXTf9FO&amp;index=3">https://www.youtube.com/watch?v=4wzoy_J3I_c&amp;list=PLYCLoPd4VxBsXs1WmPcektsQyFbXTf9FO&amp;index=3</a> PE with Joe	PSHE <a href="https://families.jigsawpshe.com/stuck-at-home-2/#1584978319851-e60fcf46-db84">https://families.jigsawpshe.com/stuck-at-home-2/#1584978319851-e60fcf46-db84</a> The Switch watch story and activity	PE Healthy Heart activity
Science Three states of water activity		History Life in the New Stone Age	French Pizza toppings	Computing River information poster or PowerPoint

**Week 2**

**At the end of each English session this week I would like you to complete a handwriting sheet and a page from the phonics booklet.**

Group 3

### **English - Monday**

Complete 2 of the 60 second read activity sheets

Complete 3 sheets of the captions and pictures activity. You must match the picture to the correct caption.

### **English - Tuesday**

Click on the link and watch the video clip 'Ride of Passage.' <https://www.literacyshed.com/the-other-cultures-shed.html> Using the sheet provided in the files section below, fill in the think, say and feel bubbles for Toki. What might he think to himself when he first sees the chameleon? How might he be feeling? Should he kill it or not? What might Toki say to the elders when they realise he has realised the chameleon?

### **English - Wednesday**

Read through the adjectives PowerPoint to refresh your memory. When you have done that, complete page 1 of the identifying adjectives sheet.

### **English - Thursday**

Yesterday you looked at identifying adjectives. Today you are to write down adjectives that we could use to describe the setting and the characters in the 'Ride of passage.' Use the sheet in the files section to help guide you. Look at the images to help you. You could also look at the adjectives word bank.

Group 3

### **English - Friday**

Watch the video 'Ride of passage' again. Today you are going to write it up as a story. Remember these things

- Capital letters
- Write in full sentences
- Check your writing - Does it make sense?
- Include adjectives

### **Maths - Monday**

Complete Times Tables Rocks activities for at least 20-25 minutes. After, have a go at completing one of the set my maths activities.

### **Maths- Tuesday**

Today you are looking at number bonds to 10, 20 and 100. You are going to complete pages 1-4, where you must find and write the missing numbers bonds in for a mixture of numbers to 10, 20 and 100. If you are struggling with any of them focus on finding the numbers bonds to 10 first. Then you could try finding the numbers to 20.

### **Maths - Wednesday**

Today's task is all about ordering numbers. Complete ordering 2-digit numbers sheet. Remember when we are ordering numbers we have to look at the place value column very carefully. Look at the ordering numbers PowerPoint before you start the activity to help refresh your memory.

Group 3

### **Maths - Thursday**

Complete the subtraction to 20 sheet.

### **Maths - Friday**

Today you are looking at column subtraction. Remember when using column subtraction, you always start by taking away the ones column first and then the tens column. If you find it too tricky after trying to complete the first couple of questions then have a go at the second activity sheet in the files section for today. It is all about using a number line to subtract numbers within 20. The number line is next to each calculation to help you.
