

English Week 1

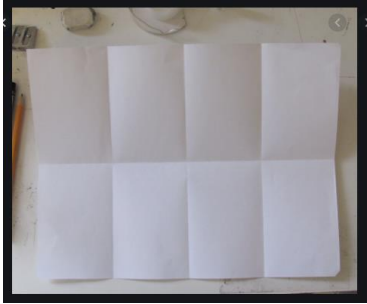

Monday

Watch the clip from Harry Potter on youtube https://www.youtube.com/watch?v=bN1_h_eGitE&t=4s

Split or fold a piece of paper into 8 sections and use information from the video to retell the story from the **point of view of the character 'Death'**. You can add a small picture in each section.

Think about the words you can use, try to make it as descriptive as you can. Maybe watch the video again and 'magpie' some of the interesting words, eg, waiting eagerly, witnessing furiously

You can also print a template if you have access to a printer. Your work can be more than one sheet if needed.

Tuesday

Look at the 3 Brothers planning sheets (can be printed or done straight into their homework book). They will be asked to find adjectives, similes, metaphors, personification for each. look at and complete the planning sheet for the eldest brother – the brother who wished for the Elder wand, and fill in the boxes Adjectives - power hungry, aggressive, greedy, selfish, arrogant, powerful, invincible, formidable etc. The children can use a thesaurus.

Next, move on to looking at the similes box. Tell children to consider the adjectives they have used – can they think of a simile to support this description e.g. Man: adjective – greedy simile – greed gripped him like a disease Wand: adjective – invincible simile - it was as invincible and omnipotent as the wind.

Complete all boxes for the 3 brothers and their gifts.

Group 1 can use these words and phrases and put them into a short descriptive paragraph.

Group 3 to complete sheets 2.

Wednesday and Thursday

Children to write a non-chronological report on the Deathly Hallows.

A non-chronological report is a non-fiction report that is not written in time order. They are factual, use technical language and are organised into different sections using subheadings – see example.

Look at the example of the non-chronological with a focus on structure and layout – DO NOT COPY THIS ONE. The children can use the internet and copies of the novel to research the Deathly Hallows. If they want to read chapter 21, which is about the three brothers, it can be read on this website. <http://readonlinenovels.com/nv/6eb2dc222c508599/harry-potter/165939-h>

This is a good website to start with for information <https://www.wizardingworld.com/features/what-truly-is-the-best-deathly-hallow>

They can choose their own layout – see examples.

I have also attached a checklist for writing a good non-chronological report.
